

# OCEANIA CHAMPIONSHIPS

Although the inaugural Oceania Championships was not held until the 1993 these records include all squash championships held from 1979 in the Oceania Islands (including squash team competitors in the South Pacific Games/Pacific Games & Pacific Mini Games).

It should be noted that Australia & New Zealand were ineligible to compete in these championships until 2017. Those events held in conjunction with Pacific Games/Mini Games automatically excluded Australia & NZ and Members did not agree to allow them to compete until the 2017 Championships due to huge variance of standards of play between island nations and Aus & NZ.
